

## Detailed Sample of a Successful Daily Routine

There are 7 steps to win the day. You may want to comply them to your notes.

### 1) 15 Mins getting social

Goal: Sow Seeds for later and also “warm up” the algorithm ! Engage with PROSPECTS on FB. Do these 3 things.

☑☑☑ Like and comment on other people’s posts following you.

☑☑☑ Follow a hashtag and comment on a current post from it (be authentically relational/ thoughtful in your response with the intention to get a response or profile visit).

☑☑☑ Follow a non-Plexus influencer and comment on their comments to start a conversation (maybe even also message one and say “saw your comment on X’s post and really appreciated your response because....”) You can also get curious about the people who commented, go to their profiles and feeds and comment there.

### 2) 15 mins: Make a Social post (one post a day including 2 reels and 1 live a week)

Goal: Get noticed by adding value to people’s lives.

☑ educate, entertain, or inspire) and stay in a social relationship with your prospects.

### 3) 15 mins Business Building. Connect with 3 people you’d like to work with.

Goal: Expose 3 NEW people to the vision of extra income with Plexus so that you can find the people looking for you.

☑ Remember regardless of their answer offer a product experience! Minimally you’ll be on the way to a new customer.

☑ Go for 3 “No’s” a day! Phone calls work best then voice messages.

### 4) 30 -60 mins for Follow-up.

Goal: Move people to a next step in the relationship.

☑ Reconnect and maintain relationships and customer care with people on the fence, trying samples, wholesalers already in your lineage and Customers in their first 3 months.

☑ This is also where you approach your current team about covering the cost of their products or upgrading their effort.

5) Promote the next company call or event and personally invite.

Goal: Use 3rd party validation and promote community (social proof).

6) Post 3 Stories about your day

7) Get your posse to do their winning day
